Course Outline

This package includes these courses

Adobe InDesign Course Online (30 Hours)

Adobe InDesign Course Online

Learn to design professional page layouts at your own pace using Adobe InDesign. Work with text, images, and multiple pages while mastering essential tools, styles, and advanced techniques to create books, magazines, and advertisements.

- Design layouts incorporating text, color, and graphics
- Import and format text and graphics for professional-quality designs
- Apply and manage colors throughout your documents
- Create short and long-form publications, including brochures, ads, magazines, and books
- Prepare files for final output, including printing and PDF export
- Create and edit paragraph and character styles for consistent text formatting
- Use parent pages to manage layouts across multi-page documents
- Work with anchored objects, tables, libraries, find/change functions, and other advanced tools
