COURSE SYLLABUS

Outlook Fundamentals Course Online

Get the most out of Outlook for everyday work tasks while working toward your Microsoft Office Specialist: Outlook Associate certification. You'll learn how to automate your email, handle a busy inbox, manage your schedule, and keep your contacts in order, picking up practical skills that'll make a real difference in how productively you work.

> Group classes (Live Online) and onsite training are available for this course. For more information, email partnerships@vdci.edu or visit: https://vdci.edu/courses/microsoft-outlook-fundamentals-course-online
