COURSE SYLLABUS

Outlook Intermediate Course Online

This course covers everything you need to configure your mail accounts, run advanced searches, keep spam in check with filters, and automate tasks using rules, all while building the calendar and contact management skills to stay on top of your day. You'll come away with an Outlook setup that's fine-tuned to the way you work.

> Group classes (Live Online) and onsite training are available for this course. For more information, email partnerships@vdci.edu or visit: https://vdci.edu/courses/outlook-intermediate-course-online
