STUDENT'S RIGHT TO CANCEL

Students may request a withdrawal and receive an applicable refund by contacting the Student Services team at learn@vdci.edu. Students should not contact their instructors with withdrawal requests.

Single-course students who cancel or withdraw from their training path will receive a full refund for their future, not yet accessed courses. Courses that have been scheduled and accessed cannot be cancelled, and withdrawal requests for those courses will not result in a refund.

Students who withdraw from a program will receive a pro rata refund as defined by the ACCET and BPPE policies. All program cancellations must be communicated by the 7th day of the program.

Students who were terminated due to violation of the VDCI Code of Conduct, including Inactive Unresponsive students, will not receive a refund for their current and scheduled course(s) but will receive a full refund for any future courses.

Refunds will be issued to the student within 45 days from the Date of Determination.

Cancellation and Refund Policy

Program student refunds are the greater refund after comparing the ACCET and BPPE calculations. The ACCET refund calculation type will be determined by the student's last day of attendance. The BPPE refund calculation type will be determined by the number of clock hours attended or scheduled to be attended.

ACCET Refund Policy

All Vocational Programs and avocational programs 300 clock hours or greater:

- a. Refund amounts must be based on a student's last date of attendance (LDA). When determining the number of weeks completed by the student, the institution may consider a partial week the same as if a whole week were completed, provided the student was present at least one day during the scheduled week.

- b. During the first week of classes, tuition charges withheld must not exceed 10 percent (10%) of the stated tuition up to a maximum of \$1,000.

- c. After the first week and through fifty percent (50%) of the period of financial obligation, tuition charges retained must not exceed a pro rata portion of tuition for the training period tuition charges retained must not exceed a pro rata portion of tuition for the training period completed, plus ten percent (10%) of the unearned tuition for the period of training that was not completed, up to a maximum of \$1,000. (See example.) Institutions that do not retain any unearned tuition may assess an administrative fee associated with withdrawal or termination not to exceed \$100.

- d. After fifty percent (50%) of the period of financial obligation is completed by the student, the institution may retain the full tuition for that period.
- e. While ACCET requires that tuition be listed on the enrollment agreement, some states require that an institution list the tuition for an entire program on an enrollment agreement even when the institution only financially obligates the student for a portion of the entire program. When calculating a refund, the percentage of tuition retained by the institution must be based on the portion of the program the student was attending through his or her last date of attendance when the student dropped, not the tuition charged for the entire program listed on the enrollment agreement.

All extra costs, such as books, supplies, equipment, laboratory fees, rentals and any similar charges not included in the tuition price, must be clearly stated in the enrollment agreement. Non-refundable charges must be explicitly itemized in the catalog and the enrollment agreement. Charges that are non-refundable must be limited to those materials that are distributed and attributable to the portion of the program attended by the student.

Cancellation After the Start of Class (Optional Student Trial Period): An institution may consider a withdrawal as a cancellation or no show (for example, within the first week of the program) provided this process is fully delineated in writing as part of the refund policy and provided to all students at or before enrollment. A student who is considered a cancellation or no show under such a policy must have all charges refunded and all payments returned to the individual or the applicable funding source less the maximum allowable application/registration fee of \$200, if such charges are clearly itemized in the enrollment agreement as being nonrefundable. Cancellations processed in accordance with this trial period section are not treated as a start by ACCET and, therefore, do not negatively impact the institution's completion rate.

BPPE Refund Policy

- (a) Every institution shall make refunds that are no less than the refunds required under the Act and this
- (b) An institution may not enforce any refund policy that is not specified in the catalog as required pursuant to section 94909(a)(8)(B) of the Code, and must refund all institutional charges upon a student's withdrawal. Withdrawal policy procedures pursuant to section 94909(a)(8)(B) of the Code shall include, at a minimum: the acceptable methods of delivery of a notice to withdraw; whether withdrawal can be accomplished by conduct, and if so, how; the position or positions to whom the notice to withdraw must be delivered; and the date that the notice to withdraw is considered effective, which shall be no later than the date received by the institution.
- (c) A pro rata refund pursuant to section 94919(c) or 94920(d) or 94927 of the Code shall be no less than the total amount owed by the student for the portion of the educational program provided subtracted from the amount paid by the student, calculated as follows:
 - (1) The amount owed equals the daily charge for the program (total institutional charge, divided by the number of days or hours in the program), multiplied by the number of days student attended, or was scheduled to attend, prior to withdrawal.
 - (2) Except as provided for in subdivision (a)(3) of this section, all amounts paid by the student in excess of what is owed as calculated in subdivision (a)(1) shall be refunded.

(3) Except as provided herein, all amounts that the student has paid shall be subject to refund unless the enrollment agreement and the refund policy outlined in the catalog specify amounts paid for an application fee or deposit not more than \$250.00, books, supplies, or equipment, and specify whether and under what circumstances those amounts are non-refundable. Except when an institution provides a 100% refund pursuant to section 94919(d) or section 94920(b) of the Code, any assessment paid pursuant to section 94923 of the Code is non-refundable.

(4) For purposes of determining a refund under the Act and this section, a student shall be considered to have withdrawn from an educational program when he or she withdraws or is deemed withdrawn in accordance with the withdrawal policy stated in its catalog.

(d) If an institution has collected money from a student for transmittal on the student's behalf to a third party for a bond, library usage, or fees for a license, application, or examination and the institution has not paid the money to the third party at the time of the student's withdrawal or cancellation, the institution shall refund the money to the student within 45 days of the student's withdrawal or cancellation.

(e) An institution shall refund any credit balance on the student's account within 45 days after the date of the student's completion of, or withdrawal from, the educational program in which the student was enrolled. For purposes of this subdivision and section 94919(d) of the Code, "day" means calendar day.

(f) The institution shall maintain a cancellation and withdrawal log, kept current on a monthly basis, which shall include the names, addresses, telephone numbers, and dates of cancellations or withdrawal of all students who have cancelled the enrollment agreement with, or withdrawn from, the institution during the calendar year. Note: Authority cited: Sections 94803, 94877 and 94885, Education Code. Reference: Sections 94885, 94919 and 94920, Education Code.

Program Charges

For all programs, there is a non-refundable \$150 Registration Fee. Program tuition is refundable.

For all single courses and training paths, there are no non-refundable Registration Fees.

Cancelled courses are refundable.

Textbooks are not required for any program or single course. Recommended textbooks may be requested by the student.

Textbooks are non-refundable unless the program is cancelled.

STUDENT'S RIGHT TO CANCEL

Students may request a withdrawal and receive an applicable refund by contacting the Student Services team at learn@vdci.edu. Students should not contact their instructors with withdrawal requests.

Single-course students who cancel or withdraw from their training path will receive a full refund for their future, not yet accessed courses. Courses that have been scheduled and accessed cannot be cancelled, and withdrawal requests for those courses will not result in a refund.

Students who withdraw from a program will receive a pro rata refund as defined by the ACCET and BPPE policies. All program cancellations must be communicated by the 7th day of the program.

Students who were terminated due to violation of the VDCI Code of Conduct, including Inactive Unresponsive students, will not receive a refund for their current and scheduled course(s) but will receive a full refund for any future courses.

Refunds will be issued to the student within 45 days from the Date of Determination.

Cancellation and Refund Policy

Program student refunds are the greater refund after comparing the ACCET and BPPE calculations. The ACCET refund calculation type will be determined by the student's last day of attendance. The BPPE refund calculation type will be determined by the number of clock hours attended or scheduled to be attended.

ACCET Refund Policy

All Vocational Programs and avocational programs 300 clock hours or greater:

- a. Refund amounts must be based on a student's last date of attendance (LDA). When determining the number of weeks completed by the student, the institution may consider a partial week the same as if a whole week were completed, provided the student was present at least one day during the scheduled week.

- b. During the first week of classes, tuition charges withheld must not exceed 10 percent (10%) of the stated tuition up to a maximum of \$1,000.

- c. After the first week and through fifty percent (50%) of the period of financial obligation, tuition charges retained must not exceed a pro rata portion of tuition for the training period tuition charges retained must not exceed a pro rata portion of tuition for the training period completed, plus ten percent (10%) of the unearned tuition for the period of training that was not completed, up to a maximum of \$1,000. (See example.) Institutions that do not retain any unearned tuition may assess an administrative fee associated with withdrawal or termination not to exceed \$100.

- d. After fifty percent (50%) of the period of financial obligation is completed by the student, the institution may retain the full tuition for that period.
- e. While ACCET requires that tuition be listed on the enrollment agreement, some states require that an institution list the tuition for an entire program on an enrollment agreement even when the institution only financially obligates the student for a portion of the entire program. When calculating a refund, the percentage of tuition retained by the institution must be based on the portion of the program the student was attending through his or her last date of attendance when the student dropped, not the tuition charged for the entire program listed on the enrollment agreement.

All extra costs, such as books, supplies, equipment, laboratory fees, rentals and any similar charges not included in the tuition price, must be clearly stated in the enrollment agreement. Non-refundable charges must be explicitly itemized in the catalog and the enrollment agreement. Charges that are non-refundable must be limited to those materials that are distributed and attributable to the portion of the program attended by the student.

Cancellation After the Start of Class (Optional Student Trial Period): An institution may consider a withdrawal as a cancellation or no show (for example, within the first week of the program) provided this process is fully delineated in writing as part of the refund policy and provided to all students at or before enrollment. A student who is considered a cancellation or no show under such a policy must have all charges refunded and all payments returned to the individual or the applicable funding source less the maximum allowable application/registration fee of \$200, if such charges are clearly itemized in the enrollment agreement as being nonrefundable. Cancellations processed in accordance with this trial period section are not treated as a start by ACCET and, therefore, do not negatively impact the institution's completion rate.

BPPE Refund Policy

- (a) Every institution shall make refunds that are no less than the refunds required under the Act and this
- (b) An institution may not enforce any refund policy that is not specified in the catalog as required pursuant to section 94909(a)(8)(B) of the Code, and must refund all institutional charges upon a student's withdrawal. Withdrawal policy procedures pursuant to section 94909(a)(8)(B) of the Code shall include, at a minimum: the acceptable methods of delivery of a notice to withdraw; whether withdrawal can be accomplished by conduct, and if so, how; the position or positions to whom the notice to withdraw must be delivered; and the date that the notice to withdraw is considered effective, which shall be no later than the date received by the institution.
- (c) A pro rata refund pursuant to section 94919(c) or 94920(d) or 94927 of the Code shall be no less than the total amount owed by the student for the portion of the educational program provided subtracted from the amount paid by the student, calculated as follows:
- (1) The amount owed equals the daily charge for the program (total institutional charge, divided by the number of days or hours in the program), multiplied by the number of days student attended, or was scheduled to attend, prior to withdrawal.
 - (2) Except as provided for in subdivision (a)(3) of this section, all amounts paid by the student in excess of what is owed as calculated in subdivision (a)(1) shall be refunded.

(3) Except as provided herein, all amounts that the student has paid shall be subject to refund unless the enrollment agreement and the refund policy outlined in the catalog specify amounts paid for an application fee or deposit not more than \$250.00, books, supplies, or equipment, and specify whether and under what circumstances those amounts are non-refundable. Except when an institution provides a 100% refund pursuant to section 94919(d) or section 94920(b) of the Code, any assessment paid pursuant to section 94923 of the Code is non-refundable.

(4) For purposes of determining a refund under the Act and this section, a student shall be considered to have withdrawn from an educational program when he or she withdraws or is deemed withdrawn in accordance with the withdrawal policy stated in its catalog.

(d) If an institution has collected money from a student for transmittal on the student's behalf to a third party for a bond, library usage, or fees for a license, application, or examination and the institution has not paid the money to the third party at the time of the student's withdrawal or cancellation, the institution shall refund the money to the student within 45 days of the student's withdrawal or cancellation.

(e) An institution shall refund any credit balance on the student's account within 45 days after the date of the student's completion of, or withdrawal from, the educational program in which the student was enrolled. For purposes of this subdivision and section 94919(d) of the Code, "day" means calendar day.

(f) The institution shall maintain a cancellation and withdrawal log, kept current on a monthly basis, which shall include the names, addresses, telephone numbers, and dates of cancellations or withdrawal of all students who have cancelled the enrollment agreement with, or withdrawn from, the institution during the calendar year. STUDENT'S RIGHT TO CANCEL

Students may request a withdrawal and receive an applicable refund by contacting the Student Services team at learn@vdci.edu. Students should not contact their instructors with withdrawal requests.

Single-course students who cancel or withdraw from their training path will receive a full refund for their future, not yet accessed courses. Courses that have been scheduled and accessed cannot be cancelled, and withdrawal requests for those courses will not result in a refund.

Students who withdraw from a program will receive a pro rata refund as defined by the ACCET and BPPE policies. All program cancellations must be communicated by the 7th day of the program.

Students who were terminated due to violation of the VDCI Code of Conduct, including Inactive Unresponsive students, will not receive a refund for their current and scheduled course(s) but will receive a full refund for any future courses.

Refunds will be issued to the student within 45 days from the Date of Determination.

Cancellation and Refund Policy

Program student refunds are the greater refund after comparing the ACCET and BPPE calculations. The ACCET refund calculation type will be determined by the student's last day of attendance. The BPPE refund calculation type will be determined by the number of clock hours attended or scheduled to be attended.

ACCET Refund Policy

All Vocational Programs and avocational programs 300 clock hours or greater:

- a. Refund amounts must be based on a student's last date of attendance (LDA). When determining the number of weeks completed by the student, the institution may consider a partial week the same as if a whole week were completed, provided the student was present at least one day during the scheduled week.

- b. During the first week of classes, tuition charges withheld must not exceed 10 percent (10%) of the stated tuition up to a maximum of \$1,000.

- c. After the first week and through fifty percent (50%) of the period of financial obligation, tuition charges retained must not exceed a pro rata portion of tuition for the training period tuition charges retained must not exceed a pro rata portion of tuition for the training period completed, plus ten percent (10%) of the unearned tuition for the period of training that was not completed, up to a maximum of \$1,000. (See example.) Institutions that do not retain any unearned tuition may assess an administrative fee associated with withdrawal or termination not to exceed \$100.

- d. After fifty percent (50%) of the period of financial obligation is completed by the student, the institution may retain the full tuition for that period.
- e. While ACCET requires that tuition be listed on the enrollment agreement, some states require that an institution list the tuition for an entire program on an enrollment agreement even when the institution only financially obligates the student for a portion of the entire program. When calculating a refund, the percentage of tuition retained by the institution must be based on the portion of the program the student was attending through his or her last date of attendance when the student dropped, not the tuition charged for the entire program listed on the enrollment agreement.

All extra costs, such as books, supplies, equipment, laboratory fees, rentals and any similar charges not included in the tuition price, must be clearly stated in the enrollment agreement. Non-refundable charges must be explicitly itemized in the catalog and the enrollment agreement. Charges that are non-refundable must be limited to those materials that are distributed and attributable to the portion of the program attended by the student.

Cancellation After the Start of Class (Optional Student Trial Period): An institution may consider a withdrawal as a cancellation or no show (for example, within the first week of the program) provided this process is fully delineated in writing as part of the refund policy and provided to all students at or before enrollment. A student who is considered a cancellation or no show under such a policy must have all charges refunded and all payments returned to the individual or the applicable funding source less the maximum allowable application/registration fee of \$200, if such charges are clearly itemized in the enrollment agreement as being nonrefundable. Cancellations processed in accordance with this trial period section are not treated as a start by ACCET and, therefore, do not negatively impact the institution's completion rate.
